

6th June 2022

Dear Parent/Carer,

Due to the capacity in the school hall, we have had to make some slight adjustments to the welcome evening. There will be two separate time slots. Please see your allocated time slot below:

- 19:00 – 20:00 – Monday 18th July.

The welcome evening will be a great opportunity for you to hear from the headteacher, Mr Jones, and meet the head of year, Miss Lee, along with members of SLT, including the Assistant headteacher for Inclusion and SENCo, Mr Robinson. There will be an opportunity to discuss school uniform and meet with the school uniform company. Please enter the school at the bottom gate where you will be met the head of year 7, members of SLT and student ambassadors.

Please ensure that you stick to your allocated time slot, otherwise this will present certain logistical challenges and may result in you not being able to attend.

Can you please ensure that there is a maximum of only two people accompanying your child, again due to health and safety regulations in relation to the capacity in the main hall.

We look forward to meeting with you and your child.

Kind Regards,

Carl Robinson

Assistant Headteacher – Inclusion
