MAKE
HAPPEN

BRIDGING THE GAP FROM SCHOOL ONTO COLLEGE AND UNIVERSITY FOR YEAR 11S

Moving from school onto sixth form or college, and then university, may sound like a simple journey – and it can be if you have the right information at the right time.

These online sessions, [Bridging the Gap](#), via Showbie will help you as a year 11 student transition from school to further or higher education, and beyond.

Available from 9am on Tuesday 10 November, you can just sign-up and log on at a time that suits you.

[Register via this link](#)

We'll look at the different types of assessments you could come across, your study skills and how to build a career profile; all essential information for helping you make the right choices for your future, at the right time!
