

20th October 2021

Dear Parents / Careers,

As we draw to a close on our first term at King Harold Academy, we have started to look at the groupings of both English and Maths. As you may be aware, at the start of Year 7, all students are taught within their form groups. This allows our young starters to develop friendships and cohesion as a form. This also allows staff to test and monitor your child's educational development in the core subjects. This information then enables our head of English and Maths to group your child within sets, based on their levels of prior attainment and areas for development. These new classes will be for English and Maths only and will not affect any other groups. A new timetable will be issued to all our year 7's in form time on the first day back after half term. These new groups will continue to be monitored and changes made where applicable and necessary throughout the rest of the academic year.

On behalf of the Senior Leadership and Year 7 Team, we wish you a very restful half term and look forward to welcoming back students on their return to school.

Your sincerely

Carl Freeborn
Deputy Head Teacher
