

*All the staff at King Harold Academy are extremely proud of the achievements of our Year 11 students. They have shown incredible determination and resilience this year, responding to a context that has created unprecedented challenges. Their hard work has paid off, and I know that they will all go on to do great things in the future, and join our fantastic KHA alumni community! We are all very proud of them.*

*I know that they will all join me in thanking the KHA staff for their huge efforts in supporting what they've achieved. Well done all - and thank you! We are looking forward to hearing about how they get on in the next stages of their education and will welcome them back to inspire our next generation of high-achievers.*

*This year we've seen improved exam results across all of our subjects and we hope our next year 11 cohort are inspired by what can be achieved with hard work, focus and determination! We're looking forward to working with them to build upon King Harold's successes.*
