

## Year 11 Making the grade

9<sup>th</sup> December 2020

Dear Parent/Carer,

Due to the current situation, we are unable to run our annual Making the Grade evening for Year 11s and parents/carers, the evening was designed specifically for students in Year 11 to ensure they reach their full potential and 'Make the grade'. However, teachers of Year 11 have put all of the need to know information in videos that are now active on the school website.

The videos will inform you about important dates in their subject, resources and support that will be available throughout Year 11 and how best to support your child in individual subjects.

As your child has entered into the last year of school at King Harold Academy, it is more important than ever that we all work together to ensure they are successful.

Please click on a link to watch the different subjects that your son/daughter studies that can be found on the school website home page under the challenge, support, inspire drop down menu, Year 11 Making The Grade.

If you have any questions from watching the video, please do contact any teachers and/or myself.

Yours sincerely,

*Mr R Lockett*

Mr R Lockett

Head of Year 11
