

13th February 2020

Dear Parent/Carer,

Preference Evening – Thursday 12th March 6.30 – 7.30pm.

GCSE Preference evening will take place on Thursday 12th March. The evening will be based in the main hall and gymnasium and will provide all students and parents/carers with the opportunity to speak to subject areas in the Academy about the GCSE courses on offer in Year 10.

The GCSE Curriculum and preference booklets will be available to all students and parents on the evening as well as the preference forms; the deadline for the submission of these is 31st March.

The evening will start at 6.30pm with a formal presentation from myself in the main hall. This is followed by the opportunity for students and parents/carers to receive advice from individual subject areas regarding their curriculum, syllabus and assessment methods.

I cannot stress enough the importance of students and parents/carers attending. The evening is an important first step in all students deciding on their future academic route. Information regarding GCSE assessment (9 – 1 grading) will also be available at the evening.

Mrs Hammond, our Careers Advisor, will be present, as well as representatives from local Colleges of Further Education, who be available to discuss suitable GCSE preference choices for your son or daughter's post-16 education route.

I very much look forward to seeing you there; if you have any questions about the evening please do not hesitate to contact me via email cfreeborn@kha-tkat.org or by leaving a message at the school reception.

Yours faithfully,

Mr. C Freeborn
Deputy Headteacher
