

16th November 2020

Dear Parents and Carers,

I am delighted to inform you that having completed a successful COVID-19 risk assessment your son/daughter is now able to participate in compulsory practical dance lessons in the dance studio. This, of course, will benefit their physical and emotional wellbeing as well as developing their confidence.

From **Tuesday 17th November 2020** please ensure that your child is wearing their correct PE kit on the day that they have Dance lessons. The topic for this term is Jazz, it will be a requirement that all students are bare footed, if they are uncomfortable with this they need bring in and wear grip socks. It is recommended that all students bring in a bottle of water to keep hydrated.

Yours sincerely,

The Performing Arts Team
