

2nd November 2021

Dear Parents/Guardians,

You will be aware that your son/daughter in Year 11 now has under 25 school weeks until they sit their first GCSE examinations. These coming weeks and months are crucial to their GCSE outcomes, which in turn are vital in securing their progression onto the next stage of their education, employment or training. We would like to work in partnership with you to ensure they are as well supported as they can possibly be.

We would like to invite you and your son/daughter to attend a Year 11 Information and Support Evening on **Wednesday 24th of November 2021 between 5.00pm and 6.00pm.**

During the Information Evening key staff will provide key information about the Year 11 learning journey and how you can effectively support your child with their GCSE study at home. Additionally, you will receive a parental information/support pack containing key information and support materials.

We would very much appreciate your attendance at this event, and your ongoing support in ensuring your child fully understands the importance of the coming months and applies their full attention to examination preparation both in school and at home.

Yours Sincerely

Mr A Jones
Head of School

Ms N Vaghela
Head of Year 10
